Parking	Overnight guests with reservations: \$19.00 per night - Upon arrival, guests should note their license plate number and the state that issued it and provide this information to the front desk at check-in. Our team will then issue a parking pass with in-and-out privileges valid from check-in through check-out Local guest / day guests (no overnight reservation): No Fee Day guests may validate parking in one of the following ways: - A tablet will be available at the group's registration desk. Attendees will select "Validate," enter their license plate number, and submit. A green confirmation box will appear once the process is complete. - Or they can provide their license plate number to the front desk and let them know they are with Peak Cyber Symposium as a day guest and need to validate parking. Note: For day guest only each time they exit and re-enter the parking garage they will need to revalidate their parking before leaving again.

Symposium, Registration, Attendance & Check-in Time

Registration	Whether you plan on joining us for the symposium or if you are just coming in to speak and then leaving, if you have not done so already, please register so we have your name badge ready for you when you arrive. <u>CLICK HERE TO REGISTER & FOR YOUR NAME BADGE</u>
Dress Code & No Fee to Attend	The suggested dress code for Peak Cyber is Business Casual for all participants (OCPs for Military Personnel that are coming from work). There is no fee for Speakers to attend Peak Cyber. We encourage you to join us for both days of the symposium.
Check-in	Please plan to check-in at the Peak Registration Tables in the foyer on the lobby level in front of the Heritage Ballroom. Posters and signs will direct you to Registration Tables. If you can arrive no later than 30-minutes before your session, we would appreciate it.

Presentation Slides

Due Date	If you prefer, you can bring your final PowerPoint Slide deck with you. We know you will continue to tinker with your presentation during the run up anyway! If you do choose to send us your presentation slides in advance, and you have a large file, please send them via WeTransfer <u>CLICK HERE</u> to my email address: <u>dennis@ssewest.com</u>. * <i>You do not need a WeTransfer account to send your slides to me.</i> ** <i>Deadline to send your slide deck to us, if you prefer to send it ahead of time is Friday, September 4th.</i> **
Bring Backup Slides	Speakers should also plan to bring an additional final version of your presentation on a USB drive, or your laptop, to the symposium as a backup.
Posting of Speaker Slides	We would like to post all available Speaker Slides for registered attendees to view after the symposium. We understand that some slides may be proprietary, or that you may not be able to share your slides. We will ask your permission before we post your slides.

Audio Visual – Session rooms will be equipped with the following:

Microphones	Standing lectern with a wired microphone, and clip-on wireless microphones will be available.
--------------------	---

Laptop	You may use your own laptop if you prefer, or you can use the one that will be provided by our team.
Sound	If your presentation will require external sound, please let us know in advance.
Additional Items & Tech Support	Contact us if you need any additional equipment and we will do our best to accommodate your request. The Antlers AV Team will be available onsite and will be able to assist you if any technical issues.

Media

Media	We are not inviting media, but if we do receive requests from media outlets to attend and cover Peak Cyber, we will let you know.
Recording Sessions	Speaker sessions will not be recorded.
