

11TH ANNUAL PEAK CYBER SYMPOSIUM

SPEAKER BIO

Chase Meyers

Cyber Risk Manager, Deloitte Consulting LLP

Chase Meyers is a distinguished Manager at Deloitte Consulting in the Cyber Risk portfolio. He comes from a software engineering background and has a decade of experience providing defensive cyber capabilities across DoD mission systems. While working on those systems, Chase has assumed the role of analyst, developer, tech lead, and everything in between. He has an interest in social engineering and has won related competitions such as Derby Con's last Social Engineering CTF.
