

16TH ANNUAL PEAK CYBER SYMPOSIUM

SPEAKER BIO

Connor Wynveen
Senior Solutions Architect - Federal
Chainguard

Connor Wynveen is a Solutions Engineer leader at Chainguard, helping federal organizations strengthen their software supply chain security and DevSecOps practices. With a decade of experience in the public sector, he has worked extensively on secure software delivery, container technology, and mission systems.

Previously, as a Systems Engineer at Booz Allen Hamilton, Connor supported a range of space and ground systems, including the Kobayashi Maru software factory. His work focused on managing technical baselines and integrating emerging technologies through digital engineering.

16TH ANNUAL PEAK CYBER SYMPOSIUM

SEPTEMBER 9 - 10, 2026 | COLORADO SPRINGS, CO
