

# 14<sup>TH</sup> ANNUAL PEAK CYBER SYMPOSIUM

---

## SPEAKER BIO

Kyriakos "Rock" Lambros  
CEO & Founder  
RockCyber

Kyriakos "Rock" Lambros is the CEO and Founder of RockCyber, LLC, with extensive experience in aligning cybersecurity and technology strategies with business goals. His expertise spans building security programs, operations, threat intelligence, governance, risk management, compliance, and incident response across various industries like energy, eCommerce, government, banking, and manufacturing. Rock has held senior roles at companies such as MPLX, eBay, Honeywell, General Dynamics Information Technology, Wells Fargo, and Agilent Technologies. He has contributed to M&A activities, defended against high-profile attacks, and serves as an advisor to startups and a speaker at major cybersecurity events. Rock holds an MBA from Arizona State University and a B.S. from the University of Nevada Las Vegas.
