

16TH ANNUAL PEAK CYBER SYMPOSIUM

SPEAKER BIO

Brance Spradlin
Identity Specialist
Delinea

Brance Spradlin is an Identity Specialist at Delinea, specializing in privileged access management (PAM) and identity governance. Over his career, he has worked across the identity security landscape at leading vendors including CyberArk, SailPoint, and BeyondTrust, giving him a rare, cross-platform perspective on how organizations actually secure and manage privileged access. Brance is known for translating complex security architecture into clear, actionable guidance for both technical teams and business stakeholders. He lives in Oklahoma, where he spends his downtime fishing, woodworking, welding, volunteering at community and church events, & spending time with family.

16TH ANNUAL PEAK CYBER SYMPOSIUM

SEPTEMBER 9 - 10, 2026 | COLORADO SPRINGS, CO
