

11TH ANNUAL PEAK CYBER SYMPOSIUM

SPEAKER BIO

Debi Caldwell

Cyber Risk & Implementation Consultant
Deloitte & Touche LLP

Debi is a consultant in Deloitte's Risk and Financial Advisory Threat Detection and Response practice. Her focus is on Security Information and Event Management (SIEM) administration and tuning and technology gap analysis. A life-long student with a diverse work history (military journalist, bartender, and nurse's aide before working in technology) and a wide range of interests (kung-fu, white water rafting and being on stage), Debi leverages all her experiences to help build better teams from the bottom, the middle, and the top.
