

# 16<sup>TH</sup> ANNUAL PEAK CYBER SYMPOSIUM

---

## SPEAKER BIO

Alex Poore  
Federal Sales Engineer Manager DoW/IC  
Rubrik

Alex leads Sales Engineering for the Department of War and Intelligence Community as part of the Rubrik Federal team, where he has spent nearly nine years helping mission owners strengthen their cyber resilience and data security posture. A former Cyber System Operator in the U.S. Air Force, he pairs deep technical expertise with a firsthand understanding of the operational realities his customers face. Based in Texas, he focuses on bringing Zero Trust data security to the most demanding government environments.

16<sup>TH</sup> ANNUAL PEAK CYBER SYMPOSIUM
